Front 9 Tour Concept and Goal

Our concept is a golf league for young people ages 7 through 18. What sets us apart from other junior programs is our package pricing approach. A family pays a reasonable membership fee on an annual bases. That annual membership includes all the Front 9 tour tournaments, Professional instruction, and practice play at Shreveport Country Club for \$1.00 a round. Our goal is to grow the game and make golf affordable to families that otherwise would not have an opportunity to participate or be exposed to the life essentials golf can provide. No junior will be turn down and scholarships are available for those who qualify.
